Pre-conference Seed Ambassadors: Building an International Network to Advance Organic Seed Systems

The pre-conference takes place before the Organic World Congress' main conference (8-10 Sep 2021) in Rennes, France.

Monday, 06/09/2021 (on-site)

Field visits & culinary activities

Workshops on systems-based breeding and the organic breeding regulation

Tuesday, 07/09/2021 (on-site & online)

Workshops covering topics from seed policy to the next generation of organic plant breeders and seed ambassadors

Registration fees: 40€ (online), 100€ (on-site)

Join us for an apéro to celebrate the
20th anniversary
of ECO-PB.

Visit <https://owc.ifoam.bio/2021/pre-conferences/seed-ambassadors> for a detailed programme & registration.

Contact kaja.gutzen@fibl.org for any questions.
